Positive Action in Housing is a movement of ordinary people, non profit organisations and social housing providers from all over Scotland, and parts of the UK and Europe. We campaign against racism and fascism and stand up for the human rights of refugees, asylum seekers, new migrants and visible ethnic minorities.

Together, we can make a difference.

Donate

Positive Action in Housing depends on the support of our members, but individual donations help us go the extra mile. You can make a single or monthly donation. Alternatively, you can donate online via your internet banking, through PayPal, or make a donation quickly, easily and securely online now via Charity Choice or JustGiving

Membership

As a member you will receive free publications, resources, discounts on training and advertising, regular email updates on our work and campaigns, as well as ways you can get involved. Most importantly, you'll be a part of a growing movement challenging racism and fascism and promoting human rights in Scotland today. You can become an individual member. Alternatively, your organisation can affiliate and benefit from a range of member services.

Donate Your Tax Rebate

Did you know you can donate some or all of any money you are owed by Inland Revenue to a charity of your choice? If you wish to support Positive Action in Housing in this way, simply write our charity number (SCO27577) in the appropriate box on your next tax self assessment form. Any donations made in this way will be automatically gift-aided so we will receive an extra 25% on top of what you choose to donate, at no extra cost to you.

Leave a legacy

Help us do our humanitarian work for generations to come by leaving a gift to Positive Action in Housing. Find out more about leaving a legacy, just call us on 0141 353 2220 or email home@paih.org.

Payroll Giving

Why not give a regular donation to Positive Action in Housing using Give As You Earn (GAYE)? You decide how much you want to donate, and the donation will be taken straight from your salary each month. The best part is, you won't have to pay any tax on it. In fact, the extra amount that you would normally pay to the tax office will be given, by them, to the charity on top of the amount you donate. For example, if you donate £3.90, the tax office will add to this and the charity will receive £5.00. If you want to give a regular donation in this way, simply ask your employer if they run a GAYE scheme. If not, you can nominate your employer here. Don't worry – you can remain anonymous.

If you wish to support our work in any other ways, please feel free to email home@paih.org or call 0141 353 2220.
